EAST OAK Smoker Cover

INTRODUCTION

- We've made it easy for you. Our smoker cover fits East Oak 30 inch Smoker. No weather condition has got anything on the smoker cover because it can last through dust, dirt, and even snow! Plus, it's designed with 600D polyester and coated with PVC, so of course it's durable a.k.a. waterproof and fadeproof.
- The mesh fabric ensures minimal risk of mold or mildew during the rainy seasons.
- Even the wind can't pull the cover down, because it is built with a drawstring to secure the cover in place.

MAINTENANCE GUIDELINES

- Only use the cover when the appliance has completely cooled down.

- To clean the exterior surface of the smoker, use a damp cloth with water only. Make sure to dry it thoroughly after cleaning.

- Do not use any abrasive cleaners or clean it in a dishwasher. Damages may occur with misuse.
