Installation Diagrams

MUST DO FIRST:

1. Ensure the lettered sides of both panels face inward.
2. Not following this order may make assembly difficult and could damage parts.

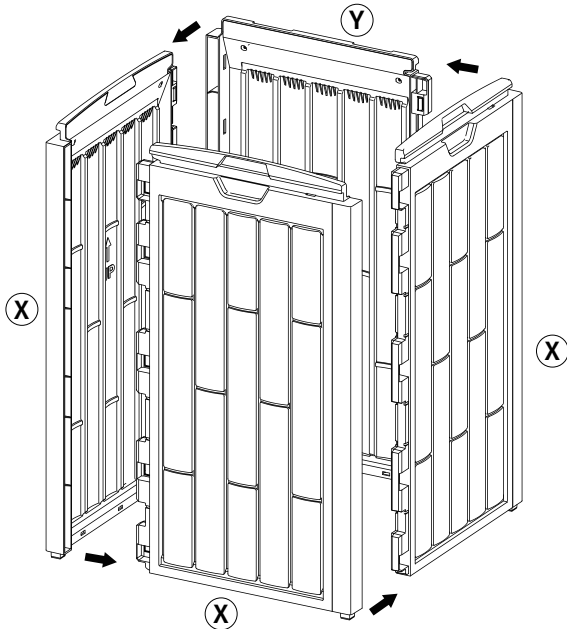

Tips:

You can find the installation prompt letter (X-Y) on the inside of all panels.

1 Install the Side Panels (X+X+X+Y)

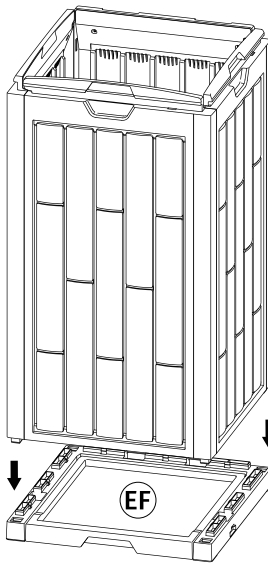

- a. Attach the **Panels (X)** and **Back Panel (A)** as shown.
- b. Press the clips firmly until the panels form a complete ring.

2

Install the Bottom Panel (EF)

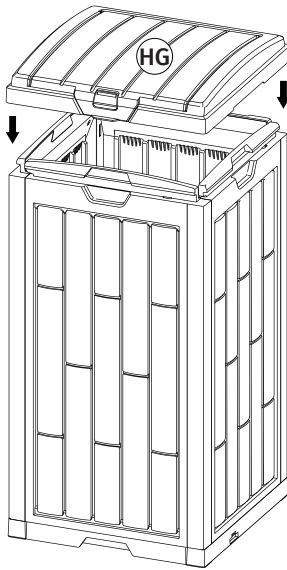

Attach the assembled body onto the **Bottom Panel (EF)**.

3

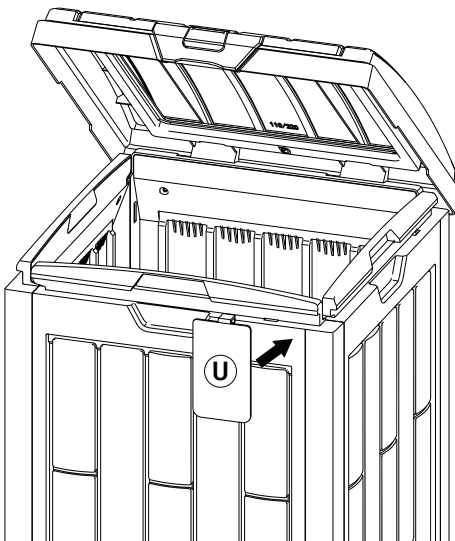

Install the Lid Panel (HG)

Install the **Lid Panel (HG)** on top.

4

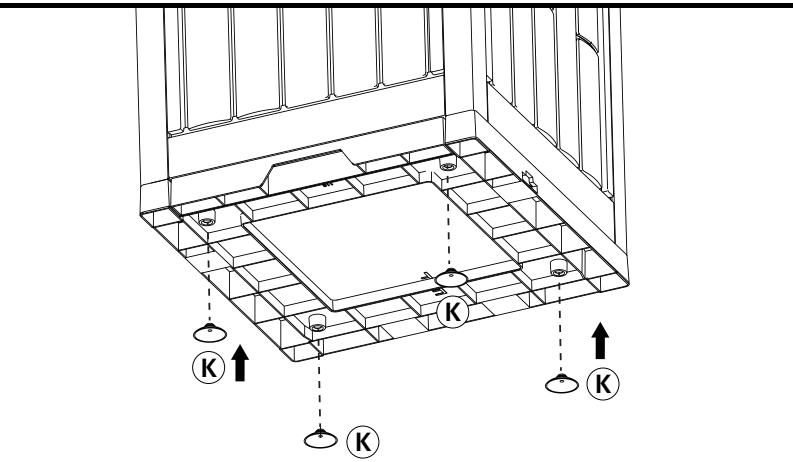

Attach the Tag (U)

Surface Installation Guide

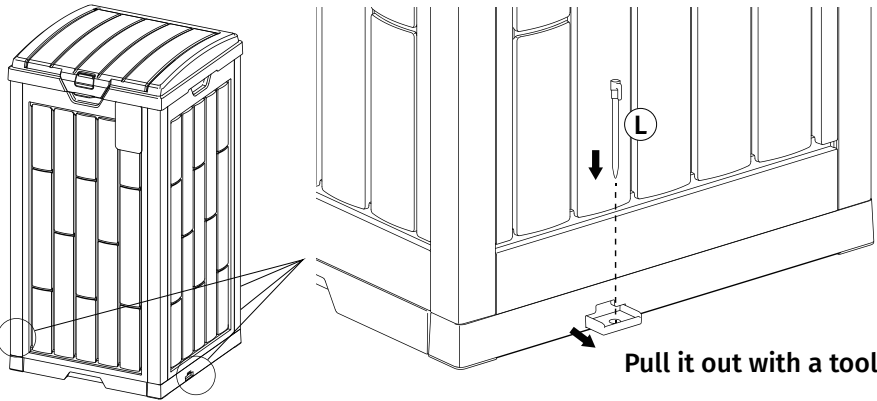

5 Part K - For Smooth Surfaces

Use the **Suction Cups (K)** when placing the trash can on smooth surfaces such as tile or polished floors to prevent slipping.

6 Part L For Soft Ground

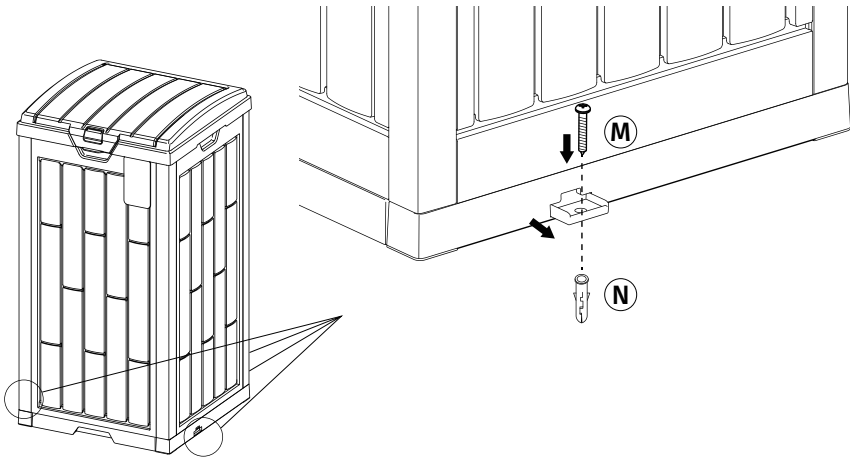

Use the plastic stakes (**L**) to secure the trash can on grass or soil.

7

Part M & N - For Hard Surfaces

Use expansion bolts (**M&N**) to securely anchor the trash can on hard surfaces such as concrete or asphalt.

FEATURES

- Weather-resistant outdoor storage.
- UV- and fade-resistant.
- Durable, long-lasting polypropylene construction.
- Easy assembly.
- Comfortable side handles.
- Upgraded PP material helps prevent bending and fading.
- Suitable for indoor and outdoor use; holds pillows, pool toys, garden tools, furniture accessories, and sports equipment.
- Ideal for home storage and organization.

IMPORTANT INFORMATION

- **NOTICE — Non-disassemblable:** Once assembled, the product is not designed to be taken apart. Follow the installation steps exactly, in order.
- **Before You Begin:** Inspect all parts and hardware. Do not start assembly if anything is damaged or missing. If you have questions or need replacements, contact Customer Support at support@eastoak.com.
- **CAUTION — Sharp edges:** Some parts may have sharp edges. Wear protective gloves during assembly as needed.
- Assemble on a soft, clean surface (drop cloth or rug) to prevent scratches.

ASSEMBLY INSTRUCTIONS

- We recommend Use a rubber hammer to assist with installation and fully seat snap locks.
- Letters X-Y are printed on the inside of all panels for assembly reference.
- Item identification: For ease of identification, Parts are labeled with letters (K-N&U) that match the steps and diagrams.

CARE & SAFETY

- Avoid placing products in areas with standing water, such as potholes in lawns.
- Check all connections and panels for tightness before use.
- It is of utmost importance to assemble all parts according to the directions. Do not skip any steps.
- In case of fire, do not attempt to extinguish any burning polypropylene with water.
- Using a stiff brush or abrasive cleaner could damage the box.
- Hot items such as recently used grills, blowtorches, etc., must not be stored in the box.
- After rain, wipe the box with a cloth before opening.
- Not suitable for the storage of flammable or corrosive substances.
- Do not stand on the lid.
- To prevent the risk of suffocation, do not allow children to play inside the box.
- Wear safety goggles and always follow the manufacturer's instructions when using power tools.
